This community pharmacy is situated on a local parade of shops in a residential neighbourhood of Bracknell. NHS dispensing is the main activity, and the pharmacy supplies some medicines in multi-compartment compliance packs to help people take their medicines safely. It provides a number of other NHS services including Pharmacy First, the New Medicine Service (NMS), contraception and blood pressure monitoring. The pharmacy also sells a range of over-the-counter medicines.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in October 2016.
