The pharmacy is on a high street in Kendal town centre. It dispenses NHS prescriptions and sells a range of over-the-counter medicines. Pharmacy team members provide other NHS healthcare services including the Pharmacy First Service, the New Medicine Service and seasonal Covid-19 booster vaccinations. The pharmacy provides medicines to some people in multi-compartment compliance packs to help them take their medicines at the right time. And it delivers medicines to people's homes if required.

This was a full routine inspection of the pharmacy. The pharmacy was last inspected in March 2016.
