Type of pharmacy: Community

Date of inspection: 13/08/2026

Pharmacy context and inspection background

This community pharmacy is located on a parade of shops in the Springbourne area of Bournemouth. It dispenses NHS and private prescriptions. And it sells medicines over the counter. The pharmacy provides a range of services including NHS Pharmacy First, contraceptive service and a hypertension case-finding service. The pharmacy also provides flu, COVID-19 and meningitis B vaccinations, a supervised consumption service and a needle exchange service. The pharmacist also provides a face-to-face weight management service and a travel vaccination service.

This was an inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in April 2018.

Overall outcome: Standards met

Required Action: Not Required

Areas of good practice

Standard 1.8

- Staff document all safeguarding referrals and audit them to ensure that the response has been

appropriate. This makes it easier for the pharmacy to show how it responds to safeguarding concerns should it asked about them in future.

Standard 3.1

- The pharmacy has included a booth for the consumption of some medicines as part of it's refit. This allows people using some services to be given more privacy.

Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public

Summary outcome: **Standards met**
