

# Registered pharmacy inspection report

## Pharmacy name: North Weald Chemist

**Address:** 46-48 High Road, North Weald, EPPING, Essex, CM16 6BU

**Pharmacy reference:** 1031165

**Type of pharmacy:** Community

**Date of inspection:** 06/01/2026

### Pharmacy context and inspection background

This community pharmacy is located in a village near a parade of shops in Epping, Essex. It dispenses NHS and private prescriptions. And it sells medicines over the counter. The pharmacy supplies medicines in multi-compartment compliance packs to some people. And it offers some additional NHS services such as Pharmacy First.

This was an intelligence-led inspection of the pharmacy following information received by the GPhC. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in October 2017.

**Overall outcome:** Standards not all met

**Required Action:** Improvement Action Plan

### Standards not met

#### Standard 2.2

- Pharmacy team members have not completed accredited training for their roles and are not currently enrolled on training courses relevant to the roles they are undertaking. This means team members may not have the necessary skills or knowledge to carry out their roles safely and effectively.

### **Standard 3.1**

- Overall, the pharmacy is untidy and there is a large amount of clutter in all areas of the premises which creates a significant tripping hazard. And some areas of the premises are very dusty and dirty which is detrimental to the safe provision of pharmacy services.

### **Standard 3.2**

- The pharmacy's consultation room is untidy and filled with clutter and it is not useable in its current state. This means the pharmacy does not have an adequate space for people to have confidential conversations if needed.

### **Standard 3.3**

- Some areas of the dispensary are dirty and dusty. This could create a risk of contamination to medicines being stored in this area.
