Pharmacy context and inspection background

This community pharmacy is located on a high street in the town centre of Hitchin, Hertfordshire. It dispenses NHS and private prescriptions. And it dispenses prescriptions for some care homes and sheltered housing in the local area. Some people's prescriptions are dispensed into multi-compartment compliance packs to help them take their medicines safely. It sells medicines over the counter. And it offers some NHS services such as Pharmacy First and the New Medicines service. The pharmacy offers a prescription delivery service to some people in the local area.

This was a reinspection following an inspection in May 2025 where the pharmacy did not meet Standards 1.1 and 4.3. This reinspection focused on those standards which had previously not been met. Since the last inspection, the pharmacy has updated its standard operating procedures (SOPs) and team members have read the SOPs relevant to their role. The pharmacy now stores its medicines securely as required.
