Pharmacy context and inspection background

This is a community pharmacy in a largely residential area of Herne Bay near to the sea front. It provides NHS services such as the New Medicine Service, the Pharmacy First service and Hypertension Case Finding service. It provides a flu and COVID vaccinations, weight management, period delay, contraception services using patient group directions. It also provides supervised administration of certain medicines. It supplies medicines in multi-compartment compliance packs to people who need this support. And it delivers medicines to some people's homes.

This was an intelligence-led inspection of the pharmacy following information received by the GPhC. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in June 2018, when it was under different ownership.

Overall outcome: Standards met
