

Registered pharmacy inspection report

Pharmacy name: Healey Pharmacy

Address: 462 Whitworth Road, Rochdale, Lancashire, OL12 0SN

Pharmacy reference: 1033889

Type of pharmacy: Community

Date of inspection: 24/04/2025

Pharmacy context and inspection background

This is a community pharmacy situated in the same compound as a GP practice in Rochdale. The pharmacy dispenses NHS prescriptions, and it sells a range of over-the-counter medicines. It supplies a large number of people with prescription only medicines in multi-compartment compliance packs to help them take their medicines at the right time. The pharmacy also provides a number of other NHS services including Pharmacy First, the New Medicine Service (NMS), and the seasonal flu and Covid-19 booster vaccination service.

This was a full routine inspection of the pharmacy. The pharmacy was last inspected in November 2015 and had since changed ownership in June 2023.

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 1.6

- The pharmacy generally completes the records that it needs to by law but the Responsible Pharmacist (RP) record and some of the private prescription records are incomplete or

inaccurate, which could make it difficult for the pharmacy to respond to any queries or concerns.

Standard 4.2

- The pharmacy provides medicines in multi-compartment compliance packs to help people take their medicines correctly. But they do not routinely provide patient information leaflets. So people may not always have up-to-date information about their medicines.

Standard 4.3

- Some medicines are stored outside of their original packaging without information about the expiry date or batch number. This could mean that may not be able to demonstrate that they remain safe to supply or appropriately respond to a safety recall or alert.
