**Address: 11-13 The Crescent, West Kirby, WIRRAL, Merseyside, CH48 4HL**

**Pharmacy reference: 1034762**

**Type of pharmacy: Community**

**Date of inspection: 03/12/2025**

### Pharmacy context and inspection background

This pharmacy is located in the centre of the village on a row of shops in West Kirby, Wirral. The pharmacy dispenses NHS prescriptions, private prescriptions and sells over-the-counter medicines. It also provides a range of services including seasonal flu, the NHS Pharmacy First service, ambulatory blood pressure monitoring (ABPM) and private PGD services such as weight loss and flu vaccinations. The pharmacy supplies medicines in multi-compartment compliance packs to some people to help them take their medicines at the right time.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in October 2015.

**Overall outcome: Standards met**

**Required Action: None**

### Standards that were met with areas for improvement

#### Standard 1.6

- The pharmacy largely keeps the records it needs to but some of the records for unlicensed

medicines do not always include all of the information that is required, such as patient details. So, the pharmacy may not always have access to important information or be able to respond appropriately to any concerns or queries regarding the supply of such medicines.

### **Standard 3.1**

- The pharmacy is generally clean and tidy but due to a local pharmacy closure, it has increased the number of prescriptions that it processes. This has reduced the amount of useable space which means that it cannot operate as effectively as it could do.

## Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public
