

# Registered pharmacy inspection report

## Pharmacy name: Notts Pharmacy

**Address:** 271 Westdale Lane, Carlton, Nottingham, Nottinghamshire, NG4 4FG

**Pharmacy reference:** 1035755

**Type of pharmacy:** Community

**Date of inspection:** 22/05/2025

### Pharmacy context and inspection background

This is a community pharmacy in the Nottinghamshire town of Carlton. Its main services include dispensing NHS prescriptions and selling over-the-counter medicines. It provides a range of NHS consultation services including Pharmacy First, blood pressure checks and the New Medicine Service (NMS). It also offers seasonal vaccination services to people including COVID-19 vaccinations. The pharmacy supplies medicines in multi-compartment compliance packs to some people to help them remember to take their medicines. And it delivers medicines to people's homes. The pharmacy changed ownership in September 2024.

This was a reinspection following an inspection in March 2025 where the pharmacy did not meet Standards 1.6 and 4.3. This reinspection focused on the Standards which had previously not been met. Since the last inspection, the pharmacy has reviewed its processes for making and maintaining records for controlled drugs (CDs). It now ensures entries are made in its CD register on the same day as receipt or supply of a CD. It has also reviewed its storage arrangements for medicines and stock management processes to help ensure medicines are stored safely and securely. And routine checks are conducted to ensure medicines held in stock remain safe to supply to people.

**Overall outcome:** Standards met

**Required Action:** None
