## Pharmacy name: Boots

**Address:** 109 High Street, SUTTON, Surrey, SM1 1JG

**Pharmacy reference:** 1036760

**Type of pharmacy:** Community

**Date of inspection:** 27/03/2025

### Pharmacy context and inspection background

This pharmacy is in a large branch of Boots on the main High Street in the centre of Sutton, Surrey. It dispenses people's prescriptions, sells over-the-counter medicines and offers health advice. It also provides a range of other NHS and private services.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in November 2015.

**Overall outcome:** Standards met

**Required Action:** None

### Areas of good practice

#### Standard 1.1

- The pharmacy makes sure its team members understand the processes relevant to their roles by providing them with online training modules and quizzes which they have to pass before signing them off.

#### Standard 2.2

- The pharmacy encourages its team members to develop their skills. It provides them with planned learning and development through its online portal. This is overseen by the manager who follows their progress, ensuring they can complete them on time.

## **Standards that were met with areas for improvement**

### **Standard 1.6**

- The pharmacy does not do enough to keep accurate records of who has prescribed some of the medicines it dispenses on private prescriptions. This may mean that in the event of a query, it could be more difficult to establish where the prescription came from.
