Pharmacy context and inspection background

This pharmacy is on a high street in the town of Alsager, Cheshire. Its main services include dispensing NHS prescriptions and selling over-the-counter medicines. It provides some people with their medicines in multi-compartment compliance packs. The pharmacy provides NHS consultation services including the Pharmacy First service and blood pressure checks. It also provides private services such as earwax removal and a weight-management service.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in June 2016.

Overall outcome: Standards met

Required Action: Not Required

Standards that were met with areas for improvement

Standard 1.2

- The pharmacy records its mistakes and takes some action to reduce risks. But it does not always record the causes of mistakes, the learning identified or the actions taken to prevent them

happening again. So, it may miss opportunities to improve the safety of its services.

Standard 4.3

- The pharmacy mostly manages its medicines appropriately but it does not always fully consider the risks of where some of them are stored.
