**Type of pharmacy: Community**

**Date of inspection: 11/05/2026**

### Pharmacy context and inspection background

This community pharmacy is situated in a village of Bidford-on-Avon, Warwickshire. It dispenses prescriptions, sells a range of over-the-counter medicines and it supplies medicines in multi-compartment compliance packs to people in the local community who need assistance in managing their medicines safely at home. And it provides NHS Pharmacy First service, seasonal flu vaccinations and substance misuse treatment to a handful of patients. The pharmacy also offers private weight-management and travel vaccination service under Patient Group Directions (PGDs).

This was a full routine inspection of the pharmacy. The pharmacy was last inspected in October 2016 under previous ownership.

**Overall outcome: Standards met**

### Standards that were met with areas for improvement

#### Standard 1.2

- Team members make records of dispensing incidents. But records do not always contain a

sufficient level of detail to help them review and identify trends to support learning from such events.

### **Standard 1.6**

- The pharmacy generally keeps its controlled drug records in line with requirements. But its auditing of running balances could improve to ensure any anomalies or discrepancies are identified and corrected in a timely manner.
