Pharmacy context and inspection background

This is a community pharmacy located on a busy main road in Acocks Green. The pharmacy is open extended hours over seven days. It dispenses NHS prescriptions, private prescriptions and sells over-the-counter medicines. It also provides a range of services including NHS Pharmacy First, the NHS blood pressure testing service and a private weight management service.

This was an inspection of the pharmacy to follow up on information of concern received by the GPhC. Not all the Standards were inspected on this occasion.

Overall outcome: Standards not all met

Required Action: Improvement Action Plan

Standards not met

Standard 3.1

- The shop floor and dispensary are generally clean and tidy. But cardboard and black bag waste is not cleared promptly from the stock rooms and passageways which presents a health and safety risk.

Standards that were met with areas for improvement

Standard 1.7

- The pharmacy team's current process for changing a person's nominated pharmacy on the NHS system doesn't always ensure that people have given informed consent or that they fully understand how the change will affect their future prescriptions. This means the pharmacy does not always operate in a transparent way that supports patient choice.

Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public

Summary outcome: **Standards met**
