Pharmacy reference: 1038185

Pharmacy context and inspection background

This community pharmacy is located next to a GP practice in the Saltley area of Birmingham. People who use the pharmacy are from the local community and a home delivery service is available. The pharmacy dispenses NHS prescriptions, and it provides some other NHS funded services such as NHS Pharmacy First. The pharmacy team dispenses medicines into multi-compartment compliance packs for people to help make sure they remember to take them.

Enforcement action has been taken against this pharmacy, which remains in force at the time of this inspection, and there are restrictions on the provision of some services. The enforcement action taken allows the pharmacy to continue providing other services, which are not affected by the restrictions imposed. This was a full reinspection following an inspection in November 2024 where the pharmacy did not meet Standards 1.1, 1.2, 1.6, 2.2, 4.2 and 4.3. Conditions were imposed on the pharmacy and as a result it had stopped working with the third-party weight loss service. Compliance with the Conditions was checked as part of the reinspection.
