Pharmacy context and inspection background

This is a community pharmacy located within a medical centre in a residential area of Halifax. Most people who use the pharmacy are from the local area and a home delivery service is available. The pharmacy dispenses NHS prescriptions, and it sells a range of over-the-counter medicines. The pharmacy provides the NHS hypertension service, New Medicine Service (NMS) and the NHS Pharmacy First Service. It also provides the seasonal flu and Covid-19 booster vaccination services. And an NHS minor ailments and contraception service as well as a service for head lice.

This was an inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion.

Overall outcome: Standards met
