### Areas of good practice

#### Standard 1.1

- The pharmacy makes sure its team members understand the processes relevant to their roles by providing them with online training modules and quizzes which they have to pass before signing them off.

## Standard 1.2

- The pharmacy regularly records the mistakes its team members make, reviewing them monthly and sharing any learnings with the whole team. They are also seen by more senior managers, who make sure the pharmacy follows the correct procedures and provide suitable guidance as required.

## Standard 2.2

- The pharmacy encourages its team members to develop their skills. It provides them with planned learning and development through its online portal. This is overseen by their managers who follow their progress, supporting them where necessary to ensure they can complete them on time.
