**Date of inspection:** 16/06/2025

### Pharmacy context and inspection background

This pharmacy is situated alongside other shops in an affluent area of London. It has a busy retail business selling beauty, health and wellbeing products. It dispenses NHS prescriptions, and it provides the NHS Pharmacy First service. The pharmacy regularly dispenses private prescriptions issued by nearby private doctors and clinics. It also offers private flu and covid vaccination services.

This was a desktop inspection following an inspection in April 2025 where the pharmacy did not meet Standards 1.1, 1.6 and 4.3. This reinspection focused on those Standards which had previously not been met. The review of information provided confirmed that the pharmacy has updated its standard operating procedures, reviewed its record keeping, and made improvements to the way it manages controlled drugs and waste medicines.

**Overall outcome:** Standards met
