Pharmacy context and inspection background

This is a community pharmacy situated next door to a medical practice in the village of Lochore, Fife. Its main activity is dispensing NHS prescriptions. And team members provide medicines in sealed compliance pouches and multi-compartment compliance packs to help people take their medicines at the right times. Team members offer advice on minor ailments and medicines' use. The pharmacist offers a range of private services such as a weight management service.

This was a full intelligence-led inspection of the pharmacy following information received by the GPhC. The pharmacy was last inspected in June 2023 and all standards were met

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 1.1

- The pharmacy had written procedures to support team members to ensure services are delivered safely. And team members described the process they follow to deliver certain services. Although the service was safe, the written procedures did not always reflect current practice. So, team

members do not always have accurate procedures to refer to should they need to.
