Pharmacy context and inspection background

This community pharmacy is situated amongst other retail shops in a residential area. It is located in the coastal resort of Llandudno, North Wales. The pharmacy dispenses NHS prescriptions, private prescriptions and sells over-the-counter medicines. It also provides a range of services including seasonal flu vaccinations and the NHS Common Ailments Scheme.

This was an inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in July 2018.

Overall outcome: Standards met

Required Action: None

Areas of good practice

Standard 1.2

- The pharmacy records, reviews, and shares adverse dispensing incidents with the pharmacy team members, to identify learning points which are then incorporated into day to day practice to help manage future risk.

Standard 4.2

- The pharmacy effectively supports people taking high-risk medicines by making extra checks and providing counselling. And they make records of this to help make sure it is available for any clinical reviews.
