Registered pharmacy inspection report

Pharmacy name: Elm Park Pharmacy

Address: 208-212 Elm Park Avenue, Elm Park, HORNCHURCH, Essex, RM12 4SD

Pharmacy reference: 1083413

Type of pharmacy: Community

Date of inspection: 16/10/2026

Pharmacy context and inspection background

This is a community pharmacy located at a crossroad junction in Elm Park. It is co-located with a post office. In addition to providing NHS dispensing services, the pharmacy provides the Hypertension Case Finding Service, the Pharmacy First service, the Contraception service and flu vaccinations during flu season. It supplies medicines in multi-compartment compliance packs to some people to help them take their medicines safely. And it delivers medicines to some patients.

This was a reinspection of the pharmacy following a reinspection August 2026 where the pharmacy did not meet Standards 1.3 and 4.3, and Standards 1.1 and 1.6 were met but with areas for improvement identified. Following that inspection, the pharmacy was issued with an Improvement Notice on 20 August 2026. This reinspection primarily focused on the Standards that had previously not been met and the areas for improvement that had been identified. Following the last reinspection, the pharmacy had implemented appropriate measures to address the concerns raised. Medicines requiring safe storage were being managed appropriately, access to these medicines was suitably restricted, and regular balance checks were being undertaken. The pharmacy had implemented standard operating procedures and was able to demonstrate that team members were following them. In addition, the responsible pharmacist record accurately reflected who the responsible pharmacist was.
