Pharmacy context and inspection background

This community pharmacy is located on the main high street in Harborne, Birmingham. It dispenses NHS prescriptions, sells a range of over-the-counter medicines and it supplies medicines in multi-compartment compliance packs to couple of local care homes and to some people in the community who need assistance in managing their medicines safely at home. The pharmacy also provides the NHS Pharmacy First Service, New Medicine Service, Hypertension Case Finding service, Pharmacy Contraception service, seasonal flu vaccinations and substance misuse service.

This was a routine inspection of the pharmacy which focused on the core standards relating to patient safety. Not all standards were inspected on this occasion. The pharmacy was last inspected in 2016.

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 4.2

- The pharmacy supplies medicines in multi-compartment compliance packs to some people. However, the labelling on the assembled packs does not include descriptions of the medicines inside the packs. This may mean that people or their carers are not able to easily identify individual medicines in the packs if they needed to do so.
