### Pharmacy context and inspection background

This community pharmacy is located in Blackpool, Lancashire. It is situated opposite a GP surgery. The pharmacy dispenses NHS prescriptions, private prescriptions and sells over-the-counter medicines. It also provides a range of services including seasonal flu and COVID vaccinations, and the NHS Pharmacy First service. The pharmacy supplies some people with medicines in multi-compartment compliance packs to help them take their medicines at the right time.

This was a full routine inspection of the pharmacy. The pharmacy was last inspected in October 2018.

### Standards that were met with areas for improvement

#### Standard 1.2

- Members of the pharmacy team record mistakes that are identified during the dispensing

process, such as a near misses. But they do not make a record when they complete a monthly review to help show how they are improving the quality of the services provided.

### **Standard 1.7**

- The pharmacy has a process to safely destroy confidential waste. But there are no information governance policies available. So team members may not fully understand where their responsibilities lie.

### **Standard 4.3**

- The pharmacy uses medical fridges to store cold chain medicines which are within the required temperature range. But it does not keep a record of the temperatures to help show the medicines are always stored correctly. This would be useful information in the event of a query or a concern.
