This community pharmacy is located on a main road in a semi-rural residential area. It is one of two pharmacies operated by the same company, which are co-located at the same site. The pharmacy's main activity is dispensing NHS prescriptions for people living locally and it sells over-the-counter medicines. It also provides other NHS services including seasonal flu vaccinations and the Pharmacy First service.

This was an intelligence-led inspection of the pharmacy following information received by the GPhC. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in September 2024 and all Standards were met.
