### Pharmacy context and inspection background

This community pharmacy is situated near the town centre, next to a large supermarket, in Hoddesdon. It dispenses NHS and private prescriptions. And it sells medicines over the counter. The pharmacy supplies medicines in multi-compartment compliance packs to some people. It provides a range of health services such as NHS Pharmacy First and flu and Covid vaccinations. And it offers some private services via patient group directions (PGDs) such as travel vaccinations and a weight loss service. The pharmacy provides a prescription delivery service to people who cannot get to the pharmacy.

This was a desktop inspection following an inspection in December 2025 where the pharmacy did not meet Standard 4.3. This reinspection focused on the standard which had previously not been met. Since the inspection, the pharmacy has ensured that all medicines requiring safe custody are stored appropriately.

**Overall outcome:** Standards met
