Pharmacy context and inspection background

This is an independently owned pharmacy in the centre of Portsmouth, very close to the naval dockyard. It dispenses people's prescriptions, including those issued by naval doctors, sells over-the counter medicines and offers health related advice. It dispenses some medicines in multi-compartment compliance packs for those who might otherwise struggle to manage their medicines.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in May 2017.
