

Registered pharmacy inspection report

Pharmacy name: Al Shafa Pharmacy

Address: 93 Shireland Road, SMETHWICK, West Midlands, B66 4QJ

Pharmacy reference: 1103406

Type of pharmacy: Community

Date of inspection: 02/09/2025

Pharmacy context and inspection background

This community pharmacy is located in a busy residential area of Smethwick. It is open extended hours over seven days. The pharmacy dispenses prescriptions and supplies medicines over the counter. It offers services including the NHS Pharmacy First service and blood pressure testing. The pharmacy provides some medicines in multi compartment compliance aid packs, to help make sure people take their medicines at the right time.

This was a full reinspection following an inspection in February 2025 where the pharmacy did not meet Standards 1.1 and 4.2. Enforcement action has been taken against this pharmacy, which remains in force at the time of this inspection, and there are restrictions on the provision of some services. The enforcement action taken allows the pharmacy to continue providing other services, which are not affected by the restrictions imposed.

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 4.2

- The pharmacy's services are generally well managed. However, prescription forms are not always retained with medications until the point the supply is made. This could mean that some opportunities to provide counselling may be missed and it could increase the risk of a supply being made after the valid prescription expiry date.

Standard 4.3

- Pharmacy team members complete checks to help make sure medicines are stored and supplied safely. But the fridge temperature records contain some gaps, which may mean that the pharmacy is not always able to consistently demonstrate that refrigerated medicines are suitably stored.
