

# Registered pharmacy inspection report

## Pharmacy name: Concept Chemist Limited

**Address:** 127 Manor Drive North, NEW MALDEN, Surrey, KT3 5PD

**Pharmacy reference:** 1104407

**Type of pharmacy:** Community

**Date of inspection:** 21/04/2026

### Pharmacy context and inspection background

This is a small independent pharmacy in a parade of shops on the roundabout near Maldon Manor railway station. It dispenses people's prescriptions, sells over-the-counter medicines and offers healthcare advice.

This was a routine inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in May 2017

**Overall outcome:** Standards met

**Required Action:** Not Required

### Standards that were met with areas for improvement

#### Standard 1.6

- The pharmacy does not always include all the details it should have in some of its records. Many of the entries in its private prescription register are missing the prescriber details. Alterations to some of its registers aren't always signed and dated so it isn't clear who made the alteration, why and when. These all make it harder for the pharmacy to resolve any queries that may arise in the future.

## Standard 4.4

- The pharmacy does not keep adequate records of the actions it has taken in response to drug alerts or recalls. This may make it harder for the pharmacy to show what it has done in the event of a query relating to one of the affected medicines.

## Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public
