Pharmacy reference: 1111610

Type of pharmacy: Community

Date of inspection: 03/02/2025

Pharmacy context and inspection background

The pharmacy is in the centre of Launceston, Cornwall. It dispenses NHS and private prescriptions and provides advice to people about long- and short-term conditions. The pharmacy offers a range of both NHS and private additional services. NHS services include flu vaccinations, the NHS Pharmacy First service, the NHS New Medicines service. Private services are provided using patient group directions and include the supply of medicines to support weight loss and the administration of travel vaccinations. The pharmacy dispenses medicines into multi-compartment compliance aids to help people take their medicines at the right time. And it offers a delivery service.

This was an inspection of the pharmacy which focused on the core Standards relating to patient safety. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in October 2015.
