Pharmacy name: A.Karim's-Chuckery Pharmacy

Date of inspection: 20/05/2026

Pharmacy context and inspection background

This is a community pharmacy located in a residential area on the outskirts of Walsall town centre. The pharmacy is open for extended hours over six days. It dispenses NHS and private prescriptions and sells over the counter medicines. It also provides a range of services, including NHS Pharmacy First and the NHS blood pressure testing service.

This was a focused reinspection following an inspection in February 2026, during which the pharmacy did not meet Standards 1.7, 4.2, and 4.3, and an Improvement Notice was issued. The reinspection focused on assessing compliance with that Notice. Since the previous inspection, the pharmacy has reviewed and updated its procedures to address earlier shortcomings and has strengthened its processes for managing stock, securing confidential information, and maintaining the overall tidiness of the premises. The reinspection took place over two visits: 5 May 2026 and 20 May 2026.

Enforcement action has been taken against this pharmacy and remains in force at the time of this inspection. The pharmacy must not, directly or indirectly, provide any compliance pack services. The enforcement action allows the pharmacy to continue providing all other services, which are not affected by the restrictions imposed.
