Pharmacy context and inspection background

This community pharmacy is situated on a high street, in a residential area of Preston. The pharmacy dispenses NHS prescriptions, private prescriptions and sells over-the-counter medicines. It also provides a range of services including flu vaccinations and the NHS Pharmacy First service. The pharmacy supplies medicines in multi-compartment compliance packs to some people to help them take their medicines at the right time. An optician forms part of the premises and is a separate entity to the pharmacy.

Enforcement action has been taken against this pharmacy, which remains in force at the time of this inspection, and there are restrictions on the provision of some services. The enforcement action taken allows the pharmacy to continue providing other services, which are not affected by the restrictions imposed.

This was an intelligence-led inspection of the pharmacy following information received by the GPhC. Not all the Standards were inspected on this occasion. The pharmacy was last inspected in November 2024 and all standards were met.
