**Type of pharmacy:** Community

**Date of inspection:** 07/01/2025

### Pharmacy context and inspection background

This is a community pharmacy in a residential area, close to the centre of High Wycombe, Buckinghamshire. The pharmacy dispenses NHS and private prescriptions. It's team members sell over-the-counter medicines and provide advice. The pharmacy offers many services such as supervised administration of certain medicines, Pharmacy First, the New Medicine Service (NMS), local deliveries, travel vaccinations, seasonal flu and COVID-19 vaccinations and blood pressure testing. In addition, the pharmacy team provide multi-compartment compliance packs for people who find it difficult to manage their medicines at home and in residential care homes.

This was a full inspection of the pharmacy following information of a concern received by the GPhC.

**Overall outcome:** Standards met

**Required Action:** None

### Standards that were met with areas for improvement

#### Standard 1.8

- Newer members of staff have not received any training on safeguarding the welfare of vulnerable

people. This could mean that concerns seen are not effectively identified or managed appropriately.

## **Standard 4.2**

- The pharmacy routinely identifies people who receive higher-risk medicines. But its team members don't always record any relevant information such as blood test results. So, it could make it harder for them to know if people are receiving the relevant tests at appropriate interval.
