Pharmacy context and inspection background

This is a pharmacy in Edinburgh. Its main activities are dispensing NHS prescriptions and providing some people with their medicines in multi-compartment compliance packs to help them take their medicines correctly. It provides NHS services including NHS Pharmacy First. And it supervises the administration of medicines to some people as part of a substance misuse service.

This was a full reinspection following an inspection in April 2024 where the pharmacy did not meet Standard 1.6.

Overall outcome: Standards not all met

Required Action: Improvement Action Plan

Standards not met

Standard 4.3

- The pharmacy does not always store its medicines securely and in accordance with legislation.

Standards that were met with areas for improvement

Standard 1.2

- The pharmacy adequately learns from the mistakes it makes and rectifies during the dispensing process. But the pharmacy does not routinely make records of these near miss errors, with minimal numbers recorded throughout 2024. This means they may miss opportunities to review and learn from these mistakes to help prevent them from occurring again.
