

# Registered pharmacy inspection report

## Pharmacy name: Easymeds Pharmacy

**Address:** 172 Blackmoorfoot Road, Crosland Moor, Huddersfield, West Yorkshire, HD4 5RE

**Pharmacy reference:** 9012118

**Type of pharmacy:** Internet / distance selling

**Date of inspection:** 20/03/2025

### Pharmacy context and inspection background

The pharmacy is located in a residential area in Huddersfield. The pharmacy sells over-the-counter medicines, food supplements, and medical appliances, such as wound care items, online. It does this via its own website, [www.easymedshealth.com](http://www.easymedshealth.com), and two third-party digital platforms. It does not provide any NHS services.

This was the first routine inspection of the pharmacy since it relocated from nearby premises in May 2023.

**Overall outcome:** Standards not all met

**Required Action:** Improvement Action Plan

### Standards not met

#### Standard 1.2

- The pharmacy does not carry out regular audits of the services it provides. This includes for the clinical decisions made relating to the supply of pharmacy-only medicines (P-medicines). So, the pharmacy is unable show how it continually monitors and improves the safety and quality its services.

## Standard 4.2

- The pharmacy does not carry out identity checks on all of the P-medicines it supplies. This means that it cannot ensure that all supplies of P-medicines are to appropriately aged recipients and that the person supplied with the medication is who they claim to be.

## Standards that were met with areas for improvement

### Standard 1.1

- The pharmacy has some written risk assessments to help ensure it provides its services safely and efficiently. However, these have not been reviewed for some time. So, the mitigating actions for the risks previously identified may no longer be effective.

### Standard 3.1

- The pharmacy premises is sufficient size and adequately maintained for the service it provides. However, a large amount of waste cardboard boxes are stored in the dispensary and storage areas. This means that the pharmacy is unnecessarily cluttered and could pose a potential fire hazard.

## Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public

### Summary outcome: Standards not all met

Table 1: Inspection outcomes for standards under principle 1

Standard	Outcome of individual standard	Area for improvement/ Area of good or excellent practice
1.1 - The risks associated with providing pharmacy services are identified and managed	Met	<b>Area for improvement</b>
1.2 - The safety and quality of pharmacy services are regularly reviewed and monitored	<b>Not met</b>	
1.3 - Pharmacy services are provided by staff with clearly defined roles and clear lines of accountability	Met	
1.4 - Feedback and concerns about the pharmacy, services and staff can be raised by individuals and organisations, and these are taken into account and action taken where appropriate	Met
