

Registered pharmacy inspection report

Pharmacy name: Wellingborough Pharmacy

Address: 34 Cambridge Street, Wellingborough, Northamptonshire, NN8 1DW

Pharmacy reference: 9012406

Type of pharmacy: Community

Date of inspection: 17/02/2025

Pharmacy context and inspection background

This community pharmacy is located in Wellingborough town centre alongside a mix of other independent outlets. Its main activity is dispensing NHS prescriptions, some of which it delivers to people's homes. It also sells medicines over the counter and offers the NHS Pharmacy First service and Hypertension case-finding service. It provides seasonal flu vaccinations and supplies medicines in multi-compartment compliance packs to some people who need this support to help them take their medicines at the right time. It also supplies medicines to some people receiving substance misuse treatment.

This was a routine inspection and was the first inspection of the pharmacy since it opened in 2024.

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 3.1

- The pharmacy premises provide a suitable environment for people to receive pharmacy services safely. And the fire exits are not obstructed. However, waste building materials outside the rear of the premises could present a trip hazard to people trying to exit the building safely.

Standard 4.2

- The pharmacy generally supplies medicines safely. But it doesn't routinely highlight prescriptions for higher-risk medicines. So it might be missing opportunities to provide information to people to help them take their medicines safely.
- The pharmacy hasn't yet established a routine to manage uncollected prescriptions so they are removed at an appropriate time. Doing so would help to ensure medicines are not supplied to people when they are no longer suitable.
