

# Registered pharmacy inspection report

## Pharmacy name: Viridi Pharma

**Address:** 462 Chester Road North, Sutton Coldfield, West Midlands, B73 6RG

**Pharmacy reference:** 9012469

**Type of pharmacy:** Private pharmacy with aesthetic services clinic

**Date of inspection:** 25/02/2025

### Pharmacy context and inspection background

This private pharmacy is located alongside other shops and local services in the Oscott area of Sutton Coldfield. The pharmacy dispenses private prescriptions issued by aesthetic prescribers that have registered to use its services. It also provides some private pharmacy services such as ear wax removal. The premises is also used by aesthetic practitioners for non-surgical aesthetic procedures and to deliver training to other practitioners.

This was the first routine inspection of the pharmacy since it was registered in August 2024.

**Overall outcome:** Standards not all met

**Required Action:** Improvement Action Plan

### Standards not met

#### Standard 1.1

- Various services are provided from the pharmacy premises and some of these services are carried

out by other healthcare professionals. The pharmacy should ensure that risk assessments are in place to cover any services offered on or from the premises, and that the risks identified are mitigated. The risk assessments should incorporate checking that there is appropriate indemnity insurance in place for any services that are provided on or from the premises.

### **Standard 3.1**

- The premises is not properly maintained and suitable for the pharmacy services provided. The building work that was due to be completed before the pharmacy opened is not finished and people have been visiting the pharmacy for treatments and for training despite this. The standard of decoration and upkeep does not reflect a professional image in keeping with the types of services that are being provided. This includes replacing the signage outside the pharmacy, renovation work on the downstairs entrance room, the stairs and landing, bathroom, and upstairs clinic room.

## Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public

### Summary outcome: Standards not all met

Table 1: Inspection outcomes for standards under principle 1

Standard	Outcome of individual standard	Area for improvement/ Area of good or excellent practice
1.1 - The risks associated with providing pharmacy services are identified and managed	<b>Not met</b>	
1.2 - The safety and quality of pharmacy services are regularly reviewed and monitored	Met	
1.3 - Pharmacy services are provided by staff with clearly defined roles and clear lines of accountability	Met	
1.4 - Feedback and concerns about the pharmacy, services and staff can be raised by individuals and organisations, and these are taken into account and action taken where appropriate	Met	
1.5 - Appropriate indemnity or insurance arrangements are in place for the pharmacy services provided	Met
