Pharmacy context and inspection background

This is a distance selling pharmacy situated in Rochdale. The pharmacy is closed to the public. The pharmacy dispenses NHS prescriptions and provides the New Medicine Service (NMS).

This was a reinspection following an inspection in October 2025 where the pharmacy did not meet Standards 1.7 and 4.4. This reinspection focused on those Standards which had previously not been met. Since the last inspection, the pharmacy set up a contract with another company to destroy confidential waste, and it now receives drug recall notices by email.

Overall outcome: Standards met

Required Action: Not Required

Standards that were met with areas for improvement

Standard 4.4

- The pharmacy receives alerts for the recall of medicines and medical devices. But it does not keep a record of the relevant action that it takes. This means that the pharmacy may not always be able to demonstrate how it responds to recall and safety notices.

Principle 1: The governance arrangements safeguard the health, safety and wellbeing of patients and the public

Summary outcome: **Standards met**
