Pharmacy reference: 9012754

Type of pharmacy: Community

Date of inspection: 23/10/2025

Pharmacy context and inspection background

This pharmacy is on a main road near Raynes Park railway station. The pharmacy opens seven days a week. It dispenses people's prescriptions, sells over-the-counter medicines and offers health advice. And it provides a range of other NHS services too.

This was the first routine inspection of the pharmacy since it was registered in June 2025.

Overall outcome: Standards met

Required Action: None

Standards that were met with areas for improvement

Standard 1.6

- The pharmacy largely keeps the records it needs to by law. But it doesn't always date the correctional notes made in its controlled drug (CD) register. And it doesn't check the running balances of its CDs regularly. This could mean that mistakes might not always be identified and corrected in a timely manner.

Standard 3.1

- The pharmacy is generally tidy in the areas people using its services can see. But it isn't always tidy in the areas they can't see and its team could do more to keep the premises clear of clutter. This would help improve the overall professional image of the pharmacy.

Standard 4.3

- The pharmacy has allowed its out-of-date CDs to build up. This means that the chances of it supplying and expired product by mistake may be increased. The pharmacy has several working refrigerators. But the temperature range of one of them hasn't always been monitored and recorded. So, a malfunction or deviation in its temperature range may not be identified in a timely manner. And this increases the risk of people receiving medicines that aren't fit for purpose.
