Summary:

This pharmacy is nearby to two other pharmacies (Beehive Pharmacy 1031258 and Sheldon Pharmacy 1031267) which are owned by different companies but share a company director with this pharmacy. Following information received about online supplies of pharmacy-only medicines liable to misuse, conditions have been imposed on Beehive Pharmacy. This was because there were systemic weaknesses in the governance arrangements for the remote sales of medicines, and a lack of appropriate safeguards for the supplies made online of pharmacy-only medicines liable to misuse. There is a risk that the online sales could be transferred to this pharmacy, and so it is necessary to impose conditions on Gold's Pharmacy Gants Hill.

Conditions imposed:

1. The pharmacy must not sell or supply any pharmacy-only medicines via any distance selling service model, including through a website or by post/courier, except for fulfilling NHS

prescriptions.

Outcome:

Ongoing
