**Summary:**

This pharmacy business has two sites in Birmingham, Saltley Pharmacy (1038185) and Ward End Pharmacy (1099287). A recent inspection of Saltley Pharmacy on 14 November 2024 identified concerns about the supply of medicines against private prescription issued by nurse prescribers associated with a weight loss clinic. The pharmacy could not demonstrate that it had identified and managed the risks associated with the medicines issued by the third-party prescribing service, and a Condition was imposed to secure safe and effective practice at this pharmacy. As Ward End Pharmacy is closely associated and located in close proximity to Saltley Pharmacy, it was considered necessary to impose a Condition in the interest of protecting public safety.

**Conditions imposed:**

1. The pharmacy must not sell or supply any medicines against private prescriptions.
