Summary:

Following information received and a visit to the registered pharmacy on 7 March 2023, the inspector found system wide failures in the operation of the pharmacy which present a serious risk to patient safety. The risks are heightened by the nature of the product involved, a high-risk medicine liable to abuse, misuse and overuse, namely diazepam 10mg tablets, with inadequate risk management, records and accountability in place.

Conditions imposed:

1. The pharmacy must not purchase or otherwise obtain, sell or supply any diazepam 10mg tablets.

Outcome:

Ongoing
