Conditions on pharmacy premises - (The Medicines Act – Section 74D)

Effective date:

07 June 2024

Premises standards failed:

1.1, 1.2, 1.6, 2.2, 4.2 & 4.3 at the inspection on 23 May 2024.

Summary:

An inspection of the registered pharmacy on 23 May 2024 found system-wide failures in the risk management, governance, and operation of the pharmacy which presented a risk to patient safety. The risks were heightened by the nature of the service provided which involved prescribing and supply of medicines which do not have a UK marketing authorisation. The nature of the failings was such that Conditions are required to protect the safety and wellbeing of the public.

Conditions imposed:

1. The pharmacy must not supply any medicines against private prescriptions.
2. The pharmacy must not sell or supply any medicines which do not have a marketing authorisation.
3. The pharmacy must not provide a prescribing service. This means that it must not issue any private prescriptions to any patients where these are written by any prescriber employed by, working for or on behalf of the pharmacy, or working at the pharmacy.

Outcome:
